

**NO GLASS
NO FIRES
NO SMOKING**

NEWS

Beach Cleanup June 1, 2019 10:00 AM

Join your Board and other volunteers for a fun hour making our beach ready for the terrific days ahead! Bring your gloves, rakes, etc.

Annual Meeting & Beach Kick-Off BBQ June 1, 2019 11:00 AM

Come start your summer at the IBC Annual Meeting and Summer Kick-Off Party. This is a great chance to meet other IBC members and we will be voting on open board positions and other membership changes. Following the meeting, we will be having a BBQ provided by the IBC.

IBC KEYS FOR 2019

Please save your key from last year! Once again, we will be issuing a membership card once we receive your payment. Please bring your card with you when you come to the beach or a photo on your smartphone may also be used.

Beach Rules

To maintain a family friendly environment, The IBC Board has voted to ban all smoking on the beach property. We would also like to remind members that there is no glass on the beach. We have found several pieces of broken glass and it poses a serious risk of injury to our members.

Inglewood Beach Club

Spring 2019

President's Column *By Dan & Jennie Davidson*

Happy Spring Inglewood Beach Club!

We will be launching the dock as soon as the water warms up a bit more. We look forward to seeing many of you over the upcoming summer and especially at our annual meeting and beach cleanup in June. Please continue to honor our policies of no glass, no fires, and no smoking at the beach. We have a beautiful jewel of a place and we want to make sure it's a safe place for all of us to share.

Here's the latest scoop on the East Lake Sammamish Trail construction. According to the King County website construction on the parking lot at the base of Inglewood Hill will begin

this summer. The county is building a 27 stall parking garage with ADA access to the trail. There will also be a 400+ foot retaining wall built alongside the trail. Construction on the trail itself is scheduled to begin in the summer of 2020, but we can expect access to our beach from the parking lot

to be restricted at some point this summer as they work on the project. You can get news and updates on the project at: www.kingcounty.gov.

Online Membership Registration

www.inglewoodbeachclub.org/membership

Last year we started offering online membership forms and limited ePayment. This year we have taken it a step further to hopefully make the process easier for everyone involved. For the convenience of both you and the Board of Directors (whom are all volunteers), we ask that you complete your 2019 membership form online and submit online payment.

We now also have an automatic membership renewal/subscription that you can opt in to if you are an established member. Check out inglewoodbeachclub.org/auto-renewal to get started.

Of course if you wish to fill out the paper membership form and send check, you are welcome to. You can also get to other online payment options, for key replacement and boat storage at inglewoodbeachclub.org/pay

If you have any feedback, we welcome your suggestions as we are always looking to make annual dues payment a simple process.

Going Digital

We are making big strides in reducing our carbon footprint and reduce club costs by taking our newsletter entirely digital next year for the summer of 2020. We will plan to send a simple post card reminder next spring to ensure new homeowners and non-members have awareness of when the newsletter is available and when our all member annual meeting will be held, however we highly suggest you opt in for email notifications by entering your information in our membership form at inglewoodbeachclub.org/membership.

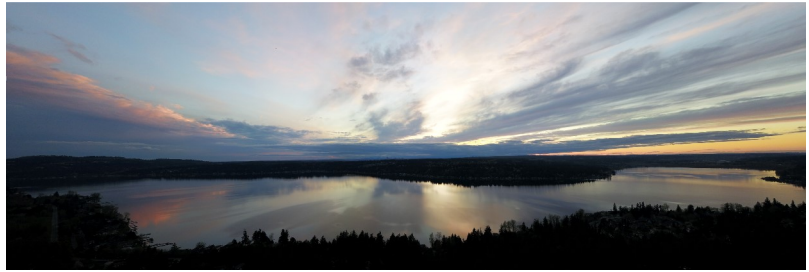

REMINDER:

**No dogs at the
beach on
Wednesdays and
Sundays**

2019 Financial Report

In 2018, the Inglewood Beach Club had 107 current members and 12 guest members.

Last year we voted to utilize funds for quarterly regular landscaping maintenance to help with continuous cleanup including slow removal of the downed tree (please feel welcome to help with this removal process as you can too). We have various general maintenance costs upcoming for replacement of chairs, swim line, raft ladder, etc. Additionally, we continue to maintain a reserve of funds for the lock replacement and further enhancements to the property once the trail is finished.

	2018	Proposed 2019
Beginning Balance	\$19,807.42	\$22,981.56
Income	\$16,550.00	\$16,000.00
Expenditures	\$13,375.86	\$8,300.00
Ending Balance	\$22,981.56	\$30,681.56

Parking:

Parking along E. Lake Sammamish Pkwy. is very limited and with the ongoing construction of the trail we need to maximize the number of parking spaces. Please park at an angle when possible while keeping any driveways/gates clear.

**NO GLASS
NO FIRES
NO SMOKING**

SAVE THE DATE!

June 1, 2019

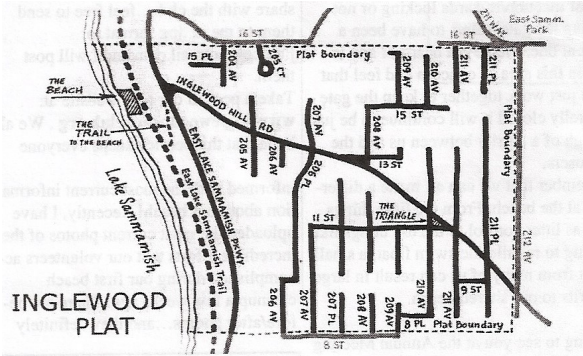

11:00 AM

IBC Annual Meeting

Please pay your dues promptly...

Inglewood Beach Club is on Facebook!
"Like" us to get up to date information and activities planned this summer.

Which way to the Beach? The beach is near the intersection of E. Lake Sammamish Pkwy and Inglewood Hill Road. The new parking area is just north of Inglewood Hill Road, on the west side of the street. Follow the path from the parking lot to the trail, go south on the trail and look for the Inglewood Hill Beach Club sign. See you at the Beach!

Please check your mailing label to see if your dues are current. Any household wishing to join the Beach Club whose property is not a current member, must pay \$375 or the amount shown on the mailing label.
